

GREEN MOUNTAIN POWER CORPORATION
RESIDENTIAL TOU & CRITICAL PEAK PRICING RATE SCHEDULE

COMPANY DESIGNATION: 14

AVAILABLE:

Throughout the Company's service territory.

APPLICABLE:

This rate is for single-phase electric service at secondary voltage for domestic purposes in private residences, individual apartments and farms. Incidental use for other purposes will be allowed provided that the Customer's use is predominantly as specified above; otherwise, the appropriate rate in this schedule of rates shall apply for all use unless residential use is separately measured. This rate shall not apply to entities engaged in farming where there is no domestic use.

RATE:

\$0.635 per day plus
Critical Peak Hours: \$0.67229 per kWh
Peak Hours: \$0.25433 per kWh
Off Peak Hours: \$0.10841 per kWh

CRITICAL PEAK HOURS:

Critical Peak Hours shall be a period of eight (8) consecutive hours between 12:00 p.m. and 8:00 p.m. during a maximum of ten (10) days as determined by the Company. Critical Peak days shall be selected from weekdays between May 1 and September 30, inclusive, except Memorial Day, July 4th and Labor Day. During Critical Peak days called by the Company energy usage during these hours will be billed at the Critical Peak Hours rate, rather than the Peak Hours or Off Peak Hours rates.

PEAK HOURS:

Peak Hours shall be a period of eight consecutive hours between the hours of 1:00 p.m. and 9:00 p.m., Monday through Friday.

OFF PEAK HOURS:

Off Peak Hours are defined as all hours not defined as Critical Peak Hours or Peak Hours.

EFFECTIVE: On Bills Rendered on or after January 1, 2019

GREEN MOUNTAIN POWER CORPORATION
RESIDENTIAL TOU & CRITICAL PEAK PRICING RATE SCHEDULE

COMPANY DESIGNATION: 14

NOTIFICATION OF CRITICAL PEAK HOURS:

The Company will identify Critical Peak days by 5:00 p.m. for the following day. Participating customers will be notified by the Company by 6:00 p.m. through text message, voice call, and/or email notification. Failure by Customers to receive Company notices or failure to respond to Critical Peak days shall not exempt Customers from the charges for electric use during these periods.

DURATION OF AGREEMENT:

One year and such subsequent twelve (12) month periods as the Company may require until canceled by the Customer on at least ten (10) days notice prior to the annual anniversary of the Customer's enrollment date on this rate schedule.

ALTERNATIVE REGULATION PLAN:

This rate schedule is subject to the Company's Alternative Regulation Plan Rider ("ARP Rider"), which includes an annual Power Adjustor, an annual Exogenous Change Adjustment and an annual Earnings Sharing Adjustor.

CUSTOMER DATA:

Customers are required to have an advanced meter installed to measure their usage and are encouraged to create an account with the Company's website to monitor daily usage habits. Customers shall also provide the Company with at least one contact phone number and one email address for notification of upcoming Critical Peak days.

NOTIFICATION OF CHANGES TO PEAK HOURS:

Specific Peak Hour periods will be posted on the Company's website. These Peak Hours will not be adjusted without prior notification to Customers taking service on this rate schedule.

EFFECTIVE: On Bills Rendered on or after April 1, 2016
