**Re: Case No. 23-2589-TF – Tariff filing of Green Mountain Power to revise the Power Supply and Retail Revenue Adjustor and the Exogenous Major Storm Adjustor**

Dear Ms. Anderson:

Green Mountain Power Corporation (GMP) is enclosing with this letter the Record of Filings for the tariff approved today by the Commission in the above-referenced proceeding. When GMP submitted this version on July 31, 2023, changes to Sheet 30 were still pending approval in a separate proceeding, GMP's FY24 Base Rate Case.<sup>1</sup> The Commission approved those changes by Order issued August 23, 2023, so it is appropriate to remove the text box from Sheet 30 of the Record of Filings that appears on the version submitted July 31<sup>st</sup> in this proceeding. With this final administrative change, this version of the Record of Filings tariff is ready to be published on GMP's website as the Record of Filings in effect with bills rendered on or after October 1, 2023.

Thank you, and if you have any questions, please feel free to contact me.

Sincerely,

Melinda Humphrey
