

Q.GMP.DPS.1-23: Please confirm whether Mr. Hunt's recommended adjustment of \$49,890 related to A&G costs is reflected in Mr. Thomas's Cost of Service calculation.

A.GMP.DPS.1-23: In responding to this discovery request, I identified that Mr. Hunt's recommended adjustment of \$49,890 related to A&G costs was inadvertently excluded from the Department's Cost of Service calculation. I will incorporate Mr. Hunt's recommended adjustment to A&G costs in my updated Cost of Service model that will be filed with my Prefiled Surrebuttal Testimony.
