

Q.GMP.DPS.1-24: Please confirm whether Mr. Hunt's recommendation to adjust General Plant by \$2.45M based on adjustments to AFUDC is included in Mr. Thomas's Cost of Service calculation.

A.GMP.DPS.1-24: In responding to this discovery request, I identified that Mr. Hunt's recommended adjustment to AFUDC was inadvertently excluded from the Department's Cost of Service calculation. I will incorporate Mr. Hunt's recommended adjustment to AFUDC in my updated Cost of Service model that will be filed with my Prefiled Surrebuttal Testimony.
